## An Enchanted Evening

Our Great Chefs of Marin event was held on Saturday, April 25, 2009 at Fireman's Fund Insurance Company in Novato. We thank our returning sponsors: Presenting Sponsor, Fireman's Fund Insurance Company; Platinum Sponsors, Brydon Hugo & Parker and first time in this category, Brayton Purcell; Emerald Sponsors, Craford Benefit Consultants and new first time sponsor, Marin Community Foundation. This year's event also marked the 55th year that Lifeline has been providing services to individuals with developmental disabilities.

This event continues to be our major fundraiser, and although results came in at \$300,000 compared to last year's \$400,000; given the economic times, we are pleased with the results. In addition to our sponsors, the success of this event is made possible by our new and returning guests, participating restaurants, wineries and other beverage providers, donors and volunteers. See pages 5 and 6 for details.

## Lifeline Receives Grant of \$15,000 from Wells Fargo Bank

Rahminder Bhatia, Community Development Officer for Wells Fargo presented a check in the amount of \$15,000 to Lifeline to continue its affordable housing efforts. Partially as a result of Wells Fargo funding over the last few years, Lifeline has been instrumental in creating awareness in Marin County about our clientele's needs for more affordable housing. We want to continue to build on this success and on the Lifeline name as a viable partner in affordable housing within this county. The Lifeline Board of Directors has reaffirmed its commitment to this strategic priority and continues to have an Affordable Housing Committee. Lifeline Vice President and COO Barry Benda serves on the board of West Bay Housing Corporation whose mission is to provide affordable housing for people with developmental disabilities.

With the support of Wells Fargo, Lifeline will continue to play an important role in developing affordable housing for individuals with developmental disabilities. We applaud Wells Fargo for its support of Lifeline and many other deserving nonprofits in Marin County.

## The President's Corner

I hope you are enjoying your summer! Six months into the year and the end of Lifehouse's fiscal 2009 year. As we finalize our budget numbers for the 2009-2010 fiscal year, we realize there are still unknown factors which could impact our expectations. Like many nonprofits and businesses, Lifehouse has experienced a decline in our fundraising

dollars. Fees that we receive from the State of California were also reduced by 3% going forward and retroactive to February.

The beginning of a new fiscal year allows us to start anew. In response to the economic climate, we are identifying ways to cut costs and looking for new modes of fundraising. We hope we will not be subject to additional reductions due to the uncertain state budget. We also do not foresee any reduction in Lifehouse staff. As we look at the year ahead, we are hopeful that we will be able to adapt to the new economic environment while continuing to be successful in our mission.

We appreciate so many of you supporting our Great Chefs of Marin event this past April. Great Chefs is our major fundraising event, and your continued support each year is vital to the success to our success. We are optimistic about the future and are truly grateful for all the support you've given us even in these challenging times. Your continued support coupled with our staff's passion and dedication of our clients ensures Lifehouse will be able to continue to provide our clients with the same quality programs and services we are known for.

We thank all of you for your continuing support and belief in our mission. Please do what you can to support us through this period. It was wonderful to see so many of you at our annual picnic on Sunday, July 19 at Corte Madera Town Park. Mark your calendar for our Annual Awards Banquet on Friday, September 11 at the Embassy Suites Hotel in San Rafael. These events are our clients' favorites. Please come, I know you'll enjoy it.

Sincerely,

Nancy Dow Moody

## Lifehouse Board of Directors Elects New Officers

For the 2009-2010 fiscal term, officers elected include Pat Kendall, Chair; Joe Meylan, Vice Chair; Gary Phillips, Treasurer and Steve Meeker, Secretary. New Board Member Eric Aanes was elected to serve a three-year term commencing July 1, 2009. We thank Jane Coyne for serving for nine years, the maximum allowed, and hope that she will return in the future.

## Message from the Board of Directors Chair

Welcome and please join our board as we launch our new fiscal year which began on July 1, 2009. It is a privilege to follow Elliot Bien and serve as Lifehouse's new board chair. Thank you Elliot for your heartfelt work this past year.

I am starting my eighth year on the Lifehouse Board of Directors and have been fortunate to work with and be in the company of some of the best in board and nonprofit leadership. I promise to do my best, along with the leadership of the board and the organization, to support our clients, their parents, families and the staff who do Lifehouse's work everyday. Lifehouse has the strength of its people to meet the opportunities and challenges that are ahead.

Speaking of challenges, like all non profit organizations, we have some...Starting with a 3% reduction in the fees we receive for services. The State budget, at the time of this writing, is still not passed so the backdrop of our work remains vague. Unfortunately we may see more fee reductions down the line. We are well aware that Lifehouse is not alone, many of us either directly or indirectly have felt the impact of our recent economy. These two facts combined are impetus enough for all of us to continue our support of Lifehouse which has been providing services since 1954.

We are a mission driven organization with crystal clear purpose and focus. When everything around us seems fuzzy and unpredictable, just blink and what Lifehouse is all about will have as much clarity as that perfect form created by the careful and precise focus of a child's kaleidoscope. Our board, with your support, looks forward to fulfilling their responsibilities. In advance, thank you....

Sincerely,

Pat Kendall, Chair, Board of Directors

# Out and About with Lifehouse

## STAFF RETREAT

This year's Staff Retreat was held on Thursday, June 25 at the Headlands Institute. It was attended by 62 staff – a 30% increase in attendance! Lifehouse thanks Steven Hoffman and Annie Palmer of Human Synergy for donating their time to plan and facilitate our retreat. Steve has been working with Lifehouse for over 10 years and has facilitated at our Board Retreats and that of the Golden Gate Regional Center. Staff were put in teams of six to eight, and working with only natural ingredients found on the beach, came up with unique and creative ways to symbolize Lifehouse. Although it was freezing at the beach, each team persevered! After lunch, staff were treated to chair massages and live music.

## 2ND ANNUAL MOTORCYCLE FUNDRAISER

Our 2nd Annual Motorcycle Fundraiser was held on Sunday, May 31, once again sponsored by the Harley Davidson Dealership, Corte Madera and Novato, and the Harley Owners Group, Golden Gate Chapter. The riders took a three hour ride through West Marin and came back to a barbeque lunch and music performed by the Miles Schon Band (Miles is the son of Neal Schon of Journey). The event raised \$2,400 for Lifehouse. In addition to our sponsors, thank you to all of the volunteers and raffle donors!

## HUMAN RACE

On Saturday, May 9, thanks to Lifehouse staff Kate O'Connor, about a dozen or more clients walked and rolled the 3.5 mile course. Board Members Nancy Branigan and Stephen Meeker also participated, although they are not sharing their finish time! Lifehouse also had a table at the fair "womanned" by Carole Selig and Nancy Riess. The event raised about \$1,000 for Lifehouse. Thank you to everyone who supported us.

## HAM RADIO TRAINING

Thanks to a grant from The Bothin Foundation of \$20,000, Lifehouse has purchased disaster equipment for our nine group homes to ensure that our clients are safe and protected during any emergency. The grant also funded an emergency communications system which includes HAM radio systems for eight locations and handheld HAM radios as well. The one-day training and testing for the Ham Radio operation took place at the Lifehouse office (photo right).

## VIVA LAS VEGAS

A group of 20 clients and five staff took off for Las Vegas the week of June 15. Lifehouse staff Mario Newton, Shaun Duncan, Pat Bryant, and Lorie Christofferson planned the trip chock full of activities from dinner at Harrah's buffet to touring the M & M store. Some clients were able to attend shows, for those who could not afford it the counselors had a list of free shows such as the Volcano at the Mirage, Fountains at the Bellagio and a pirate show at Treasure Island hotel. Pictured (below) is a breakfast at Margaritaville.

## RICKEY'S RESTAURANT

Thank you to Rickey's Restaurant for hosting a fundraising dinner for Lifehouse on Wednesday, May 13. Rickey's generously donated 40% of the day's bar and food proceeds resulting in \$800 for Lifehouse. Thank you to Board President Elliot Bien and his wife Anne Zishka for joining us for the event. Several staff and clients attended as well. House Manager Ed Collins knew his clients couldn't afford a full dinner so instead they had dessert first and then went on to a more affordable place!

*Enjoying dinner at Rickeys*

## CORTE MADERA HOUSE GETS PAINTED

A group of Boston College alumni contacted Lifehouse about a project for a large group of people including their children. With the help of Tony Street, Lifehouse Maintenance Staff, the group was able to paint the outside of Corte Madera house in one day. House Manager Carol Loughlin graciously provided lunch for the crew.

### **Annual Awards Banquet Save the Date! – September 11, 2009**

## Staff News

Welcome Brent Kush, our New Director of Administration and Finance. Prior to joining Lifehouse, Brent was the Chief Financial Officer for The Sak, a privately held fashion accessories company. He was responsible for accounting and finance as well marketing, merchandising, real estate and e-commerce. He also worked at the Big 4 Accounting firm of PriceWaterhouse Coopers. Brent holds a B.A. in Economics and a Master of Business Administration from U.C. Berkeley and the Haas School, respectively. He has volunteered extensively for the Arc of San Francisco and is looking forward to working with our clients and staff in Marin and Sonoma Counties.

Welcome to Angela Abbey, our new Development Associate. She will work with Nancy Riess and be responsible for Lifehouse events, volunteers, newsletter and assist with the Great Chefs of Marin event. Angela comes from a retail background having worked at Bare Escentuals where she was a Senior Manager as well as the Gap. She is a highly organized and motivated individual and in her short time at the office, has already started to tackle the upcoming picnic and awards banquet.

## **In Memory**

It is with sadness that we report the passing of John (Tom) McKeever, Sr. an important and long-time supporter of Lifehouse. He is survived by sons John McKeever, Jr., Lifehouse San Anselmo client; Steve McKeever, Novato, former Lifehouse Board Member and daughter Nancy Funk of Oregon as well as many grand children and great grandchildren. He will be missed.

One of our former valued employees, Elsa Goodhope, has passed away. She worked for Lifehouse for almost 20 years in our accounting department and had kept in contact with Jane Bracken, also in Accounting and Carol Loughlin, Corte Madera House Manager. Jane remembered that Elsa worked at Lifehouse before computers were used and decided to leave when computers were introduced!
